FROM JEREMY

What a great season at North Point! We often talk about the importance of making an impact outside the walls of our buildings, and we're seeing this happen because of your generosity.

These past few months have been amazing. We were able to serve **hundreds of families** through our partnership with the Nixa School District as students received needed supplies for school. We brought in **more than enough** school supplies to resource **THE ENTIRE SCHOOL of Bowerman Elementary** so that no student has a need. Hundreds of North Pointers turned up to serve the neighborhoods near the Dream Center with excellence and excitement at their most recent Block Party. We hosted more people on our Joplin campus than we've seen in years as we threw a Back to School Party - meeting **18 new families!**

Nine months ago we launched an initiative that we call POINTMAKERS - our joint effort to make a bigger impact in our communities than ever before. All of our giving goes to make North Point happen at our campuses and in our community. Because of your giving, we are funding the operational costs of the *Dream Center*, partnering with *Convoy of Hope* to feed kids in Haiti, *I Pour Life* to bring dignity to the "Garbage Dump Community", *Rainbow Network* to provide education to kids in Nicaragua, *The Rebound Foundation* to fight domestic violence, *Pregnancy Care Center* to assist families in crisis and much more! Your POINTMAKERS dollars provided kids camps, where hundreds of elementary students experienced community and Jesus this June. You also supported nearly 100 scholarships to junior/senior high students attending a life-changing summer camp. All of this and So. Much. More!

We're excited to see even more impact as we look to additional POINTMAKERS initiatives. **We are setting aside money every month for property in Nixa** - and I'm hopeful we will have this answer soon! We are committed to save as much as possible while making ministry happen so that we can pounce on the opportunity to purchase land and begin building in Nixa just as soon as possible. Your continued generosity will make this happen.

North Point - THANK YOU! Let's be a church that experiences Jesus and expresses His love everywhere we go. Let's be people of hope, poised to create safe places for people to find and follow Jesus.

Let's see what happens next season as POINTMAKERS share freely and dream big!
